## Post Office Issues New Brochure

The Post Office Department has come out with a new brochure on the lease-purchase program under which many towns and cities are beginning to get badly needed post office buildings.

Entitled "Post Office Department Lease-Purchase Procedures and Documents," the brochure will be of interest to prospective bidders and investors. It can be obtained from the regional real estate manager, A. P. DeWitt, Box 3, Dallas 21, Texas.

The lease-purchase law, enacted by the 83rd Congress, makes it possible to employ the financing and construction capacity of private enterprise to provide modern buildings for government use. Under this program, the Post Office Department may buy vitally needed facilities substantially in the same manner that the average prudent American buys his home in periodic payments like rent. Excessive immediate outlays of public funds are thus avoided.

Twenty-seven lease-purchase post office projects have been approved, and four of them are in Texas, at Garland, Grand Prairie, Houston and Refugio. No dates have been announced for advertising for bids on these four projects, Mr. DeWitt said, although action may come on some of them later in the year. Additional lease-purchase projects have been approved by G. S. A. as federal buildings at New Orleans, Lafayette and Lake Charles, Louisiana, and Gainesville, Texas. He stressed that these four projects are being handled entirely by General Services Administration.

## Cindy DePuy Is Radford Graduate

Radford's 14th annual graduation banquet was held in the main ballroom of a downtown hotel May 18 honoring members of the graduating class. It was followed by dancing.

Baccalaureate services were held May 20 followed by Radford's traditional step, sing and torchlight parade on the school grounds.

The school's annual May Fete was May 21 with all students participating to honor members of the senior class. A May Queen and the senior members of her court presided.

Members of the senior class were guests of Dr. Lucinda de Lettwich Templin, Radford principal, at a breakfast on May 23 followed by Class Day exercises.

Radford's 46th annual Commencement was also on May 23. Seventeen seniors compose the graduating class including young women from four states and Mexico.

**NATURAL GAS...**

**...important factor in the production of Brick and Tile**

It may seem a far cry from natural gas to brick and tile, but here in the Gulf South where many plants manufacture these products, gas plays an important role. In the heating processes required, natural gas provides clean, even-temperature heat... producing better brick and tile... more economically.

To keep pace with the demands for their products, brick and tile companies need a continuous supply of dependable fuel. United Gas offers this great industry, and all other industrial plants locating along its pipe lines, adequate, uninterrupted supplies of fuel the year around... an important factor in attracting industry to any community.

THE TEXAS Department of Public Safety has released its rural traffic accident summary report covering the complete 12 months of last year. A new all-time high in the number of fatalities — both rural and urban — was recorded during 1955. The 2,547 persons who died in traffic mishaps was one more than the previous high set in 1951. An additional 108,297 persons were injured in traffic accidents last year and the economic loss from an estimated total of 220,992 mishaps was a staggering \$149,401,250.

Speed too fast for conditions was listed as the major causative factor in rural fatal accidents, followed by driving while drinking as the next greatest. Sixty-two percent of the rural fatal accidents listed speed and 37% involved a driver who had been drinking.

## SECO PHILOSOPHER FROWNS

### On City Writer's Idea To Solve Farm Ills By Part-Time Farming

Editor's note: The Seco Philosopher on his Johnson grass farm is worried about the farm surplus again this week, needlessly we think, as nobody can pin any of the surplus on him. Dear editor:

Being a student of the solutions people all over the country are offering for the farm problem, on the theory it's interesting and comforting to know others are thinking about you, whether their ideas are worth anything or not I'm naturally on the alert for new ideas along this line.

And the other day I ran across what I thought at first was going to be a wonderful idea. According to this one, put out by a city newspaper writer, everybody knows the farmer is caught in a cost-price squeeze and the way for him to work out of it is through part-time farming.

According to him, part-time farming is the answer, and I was fixing to write him a letter congratulating him on his idea, when I kept on reading. It wasn't what I thought it was at all. "Part-time farming is the answer," he said, then explained that what he meant was farmers could whip their problem of a shrinking income by taking a job in town, working eight hours there, then rushing home and getting in their farming after hours and on Saturdays.

That doesn't strike me as part-time farming. What it looks like to me is full-time working and overtime farming.

It's nothing new to me to know that I could go to town and get a job, I've known that for years. A solution to the farm problem that requires me to work twice as hard as I am now is no solution as far as I'm concerned.

If this country is ever going to get rid of the farm surplus, the farmers are going to have to farm less, which suits me fine, but what they do with the rest of their time is none of any city newspaper writer's business.

I don't know whether there's a solution to the farm problem or not, I doubt it, but doubling my work load to do it is one of the most radical ideas I ever heard of.

Your faithfully,  
J. A.

TAKES A GLANCE AT POLITICAL  
TRENDS AND ASKES  
COUPLE OF QUESTIONS

### IS NEW PARTY IN THE MAKING?

With the leaders of both of the dominant political parties in such a struggle among themselves, not to mention the efforts being employed by each to outwit the other, in an effort to win top place at the handling of the spoils of politics that they have forgotten or ignore the general welfare of our country, it is of more than passing interest to note that a body of patriotic citizens, calling themselves the "Congress of Freedom," met in convention at Fort Worth recently and took a serious look at some of the conditions confronting our country.

Taking cognizance of the tactics being employed by these greedy pursuers after political spoils, they adopted a series of resolutions which are summarized here:

They stated that in their opinion, every smear campaign follows a definite pattern and it is their belief that the forces behind such movements are subversive.

They specifically named Gen. Douglas MacArthur, Sen. Joe McCarthy and, presently, Sen. James O. Eastland of Mississippi, as targets of the smear technicians.

Other resolutions adopted by the Congress included support of constitutional amendments to protect the sovereignty of America (the Bricker amendment principle, but stated with such clarity that it cannot be misinterpreted); the proposed 23rd amendment to the Constitution to take government out of competition with business; an amendment to prohibit the Congress from levying taxes on personal income, inheritance and estates; the Byrd-Bridges amendment to prevent deficit spending; and the Reed-Walter amendment to re-establish the balance of power between the states and the federal government. Support of the McCarran-Walter Act was also urged.

FD Does it not behoove us all as American citizens to think on these things?

Opposition to federal subsidies of all kinds, compulsory unionism, the tax-exempt foundations, desegregation, the Alaska Mental Health bill, secret or open trade agreements with communist nations, foreign aid and social security was expressed in resolutions which also condemned the United Nations and the Status of Forces Treaty and urged action by the State Department in securing release of American prisoners of war still held by the Reds.

Withdrawal from the U. N. and the Status of Forces Treaty was urged.

A symposium on education also offered strong "support for their efforts on the local level strive for restoration of local control of public education based on sound, fundamental and American principles; and does condemn federal intervention, either financial or ideological, as contrary to the basic concepts of American public education and as repugnant to all citizens who believe in individual liberty and the free enterprise system." The symposium also went on record commending Young Americans for the Republic, a youth organization dedicated to American ideals, and urging support of their efforts by every patriotic organization in the nation.

# FOR A LIFETIME Give A Portable Typewriter

## After Graduation WHAT?

Yes, what will that graduate of yours be doing after graduation? Right to work in an office, a trade, sales work? Or will your graduate be going on to college this fall? In this age of mechanization and automation the ability to type is a "must."

Almost 90% of all high school graduates today know how to type. Don't let your graduate lose that valuable ability due to lack of practice.

Give that graduate a new portable typewriter for his or her graduation gift and give them a tangible boost to their new skill in typing.

Your graduate will thank you now for a lifetime for your thoughtful remembrance of him at graduation time. And from now on he will remember you as having said "well done — we're proud of you" in the best possible way that you could express that feeling.

### Smith-Corona

Come in and look over the complete Smith-Corona Line of portable typewriters. In this line there are 5 models to choose from. Large or small type or a selection of special type faces. Color too! ## CASTROVILLE SCHOOL NEWS

By Rosalie Stein

The commencement exercises of St. Louis took place at 8 p.m. Thursday, May 24, on an outdoor stage in Koenig Park. The stage, placed to the west of the hall, was arranged to resemble a garden. Varieties of trees developed the background, foreground and both sides. The stage floor was covered with green grass and fronted by a white rail fence. The grass descended down the steps, bearing the senior motto "One step at a time, but always forward," and continued down the aisle.

The procession consisted of the 17 eighth grade graduates and the eleven seniors of St. Louis. When all took their places, the program began with the presentation of diplomas to seniors by Father Goertz. Scholarship awards were a scholarship certificate awarded by the members of the Texas Council of Church-Related Colleges to Rosalie Stein; two scholarship certificates to a business college, and a complimentary subscription to a magazine for one year to the Valedictorian of the class, Rosalie Stein. Velma Wurzbach and David Bippert were awarded the American Legion Medals for good citizenship by Mr. Lawrence Nuckels. The program was terminated by an address given by Father Roy Rihn.

## State Department Says Three Salk Shots Needed

AUSTIN — Many inquiries are received each day by the Texas State Department of Health regarding Salk polio vaccine. One injection is of some value but should be followed in four weeks with the second shot and the third seven months to a year later.

Dr. Henry A. Holle, Commissioner of Health, says the second shot is important and definitely increases the immunity. Even though the second cannot be given for several months, the delay does not lessen the value of the first. Maximum immunity does not develop until after the third shot.

It is advisable to immunize children who have had poliomyelitis because an attack confers immunity only against the one virus type involved and gives no protection against the other two types.

The Salk vaccine is of no value in treating the disease. It should not be used for prophylaxis in family contacts of diagnosed cases, the reason for this being

## Linen Shower Held Thursday For Bride-Elect

LACOSTE — Mrs. T. J. Parma of San Antonio was hostess at a linen shower Thursday afternoon May 24, honoring Miss Marlene Biediger, bride-elect of Edward Bohl, Jr., at the home of Mrs. W. F. Biediger.

The gift table was covered with a lace cloth and held a centerpiece of gladioli.

Miss Harriet Biediger, sister of the honoree was in charge of the brides book.

Refreshment of cake, punch and mints were served to the guests.

# REMEMBER WHEN...

June 2, 1906

Notice of a call for a meeting of the Democratic Executive Committee to meet at Hondo on June 18th, and signed by H. E. Haass as Chairman and L. J. Brucks as Secretary, is published. In the call, prospective candidates who wish to appear on the primary ballot must file by the 16th. "All candidates for office and all Democrats—are invited to attend".

"T. A. White, a capitalist from Karnes City, is here in the interest of organizing a State Bank". It was to be capitalized at \$30,000 and would "make loans on real estate".

Work had been completed on the tank at the city deep well and was to be tested that day. The tank is of the oval-bottom type with a capacity of 50,000 gallons, and elevated upon a 50 ft. tower, the height overall is 79 feet.

A dispatch from D'Hanis carries the news that William Huegele and Miss Clara Batot were married Tuesday evening at the home of the bride.

The street leading west from the Christian church was being "graded", and the editor opines, "This is a good thing and a piece of work we would like to see extended to every street in town."

June 3, 1916

Hondo Oil and Gas Co. head a three column, front page advertisement with the appeal: "Only a Few Days Left to Get in on the Ground Floor. Come out to the well and see for yourself what we have."

A test well was being drilled on the Toby Koch land just west of air-field. It turned out to be a water well!

Governor Thomas M. Campbell, then in a race against the incumbent, Charles A. Culberson, for U. S. Senator, spoke in Hondo last Saturday.

The Board of Health having set the 20th day of June as "clean up day", Mesdames H. J. Meyer, W. H. Smith and Joe Ney, Health Officers are out in an appeal to all persons to diligently clean up their premises.

"In a pun game of ball Luling walloped the home team by a score of 6 to Hondo's 3."

Total rainfall for May 5.59 inches; since January 1st, 16.74 inches. Highest temperature for month 74 degrees; lowest 53.

Medina County Automobile Club will hold its annual meeting at Castroville on Thursday, June 15th.

Mr. and Mrs. C. W. Gilham spent the week at Annapolis where they attended the graduation of their son, Charlie, from the U. S. Naval Academy.

June 5, 1926

The latest news from the Johnson-Taylor oil field is that the Medina Oil Company has let a contract for three new wells southwest of the discovery well.

"The South Texas Public Service Company reached town yesterday with the high power line, and soon Hondo will be getting power from the central plant. Wires have already been strung as far west as D'Hanis and the line will be extended on to Sabinal."

Prof. W. N. Saathoff had presented the editor with a sample of his May peaches, grown on his own lot here in town, and along with them gave the paper a valuable discussion on fruit growing which would afford profitable information today. But — too long to reproduce here!

Under the initiative of the Hal Jones Post American Legion, Memorial Day was observed in a most appropriate manner. W. N. Saathoff acted as master of ceremonies at the Colonial Theatre. Rev. W. S. Ezell of the Methodist church offering the invocation, Judge L. J. Brucks delivering the address, and Rev. W. C. Brown of the Baptist Church, offering the benediction.

Hal Jones American Legion Post donated an invalid chair to the Hondo Hospital in honor of the first anniversary of the latter's establishment here by Mrs. John Mechler.

June 5, 1936

Hondo Chapter No. 404, Order of the Eastern Star at its June 1st meeting installed for its officers for the ensuing year as follows: Worthy Matron, Clara Cureton; Worthy Patron, Garland Martin; Associate Matron, Louella Scheweers; Associate Patron, O. A. Fly; Secretary, Anna Barnes; Treasurer, Lula Chaney; Conductress, Laura Windrow; Associate Conductress, Opal McWilliams, and Chaplain, Willa Mae Kollman. Other minor officers were installed.

At the closing exercises of the High School diplomas were bestowed upon 26 graduates consisting of 12 boys and 14 girls.

Castroville reports one of the heaviest rains in years at that place. Three inches fell in less than an hour. "The streets were one solid sheet of water."

D'Hanis correspondent reports: "Mr. and Mrs. J. P. Ephraim are the parents of an infant son, born on May 28, 1936, at Medina Hospital, Hondo."

Judge H. E. Haass issues, over his official signature as County Attorney, a warning to Notary Publics to cease performing "illegal services" under penalty of not less than \$100 nor more than \$500, if found guilty.

Clinton Jagge has arrived home from St. Mary's University to spend the summer vacation with his parents, Mr. and Mrs. P. C. Jagge.

June 7, 1946

May rains are reported to have been freakish, being sufficient in some places and too light in others. The Yancey area had received plenty. Devine too much while north of Hondo crops were in need of rain.

The Red Cross Chapter had made 420 garments for children according to Mrs. N. C. Johnson, Chairman of Special Service.

Fifty ex-soldiers had enrolled for on-the-job training in agriculture. "The plan makes it possible for veterans to stay at home and get the benefits offered to those who go to college."

Jordan T. Lawler, then County Chairman for the Democratic party, announced as a candidate for the Legislature. This vacated the position of County Chairman and Francis C. Richter was appointed to fill the vacancy.

Blanton Taylor and Curtis Braden were named to the Texas high school All-Star baseball team.

Miss Nora Karrer left Saturday for San Marcos where she entered Southwest Texas State Teachers for summer work toward her degree.

Funeral services were held in Hondo Wednesday afternoon for Mrs. J. T. Bandy, 69, who died Monday.

## KILGORE'S CAPITOL COMMENT

By Joe Kilgore

RESEARCH LABORATORY. . . funds totaling \$200,000 approved by the House have been raised to the full \$350,000 by the Senate Appropriations Committee. If the Senate agrees then we will try for full agreement by the joint House-Senate Conference Committee when they meet to compromise the differences between the House and Senate versions of the bill. Our fight is nearly won. Ordinary procedure would have required that items like this go through a long budget process the year before it comes to the Congress. The Department of Agriculture budget people would approve the item and sent it to the Bureau of the Budget. If it cleared that hurdle the appropriation request would then come to the Congress in the President's budget message. Since our laboratory funds were not included in the budget then our request had to be of such merit that the Congress on a Appropriation's Committee would include it in the appropriations bill anyway.

That this is unusual is verified by the fact that this was the only unbudgeted item for construction which the House Appropriations Committee allowed in the entire Department of Agriculture appropriations bill. I am very appreciative, as I know you are, of the long years of work on the part of many of our agriculture leaders at home who have kept this project alive and of the timely and understanding help of Senator Johnson and Senator Daniel who are carrying the project in the Senate.

FOREIGN AID. . . hearings are currently being held before committees of both the House and Senate and the Administration's request for a 40 per cent increase plus long-term commitments are receiving strong opposition. I have not supported foreign aid in the past and the requested increase reminds me of the sick man who not only took the wrong medicine, but drank it all in one gulp.

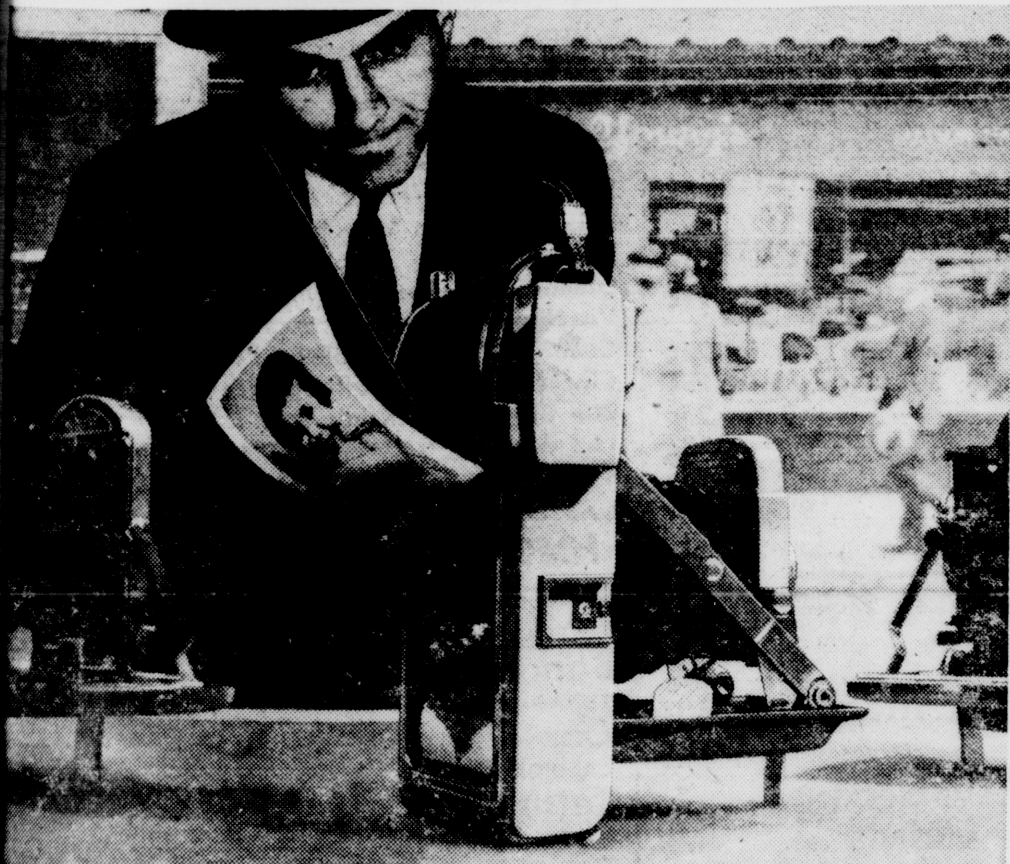

THE RUSSIAN ANNOUNCEMENT. . . of a reduction in her military manpower should be viewed with extreme caution. First, there probably is no reliable knowledge as to the full size of the Russian military so no competent comparison can be made with Western forces. Second, experience has undoubtedly proved to Russia that smaller and more tightly knit and highly mobile units are considerably more effective in modern warfare than mere manpower. Her reduction in force, I am inclined to think, is rather a concentration of force into units capable of more mobility and striking power, and an indication that Russia recognizes the dominance of air power and nuclear weapons.

**LEGAL NOTICE**  
NOTICE TO BIDDERS  
NOTICE IS HEREBY GIVEN

that the Commissioners Court of Medina County, Texas, will receive bids until 10 o'clock, a.m., on the 11th day of June, 1956, at the Office of the County Judge at the Medina County Courthouse

in Hondo, Texas, for the construction of three sections of right-of-way fencing as follows:

SECTION A. From U. S. 90 north to south end of Folk Lane, 5.836 miles (Both sides of right-of-way 11.672 miles).

SECTION B. From south end of Folk Lane to South boundary line of Howard Hay land, 7.360 miles (both sides of right-of-way 14.72 miles).

SECTION C. From Howard Hay south fence to Bandera County line, 6.683 miles (both sides of right-of-way 13.366 miles).

Bidders may bid on one or more of the three sections.

Detailed information concerning the proposed work may be obtained from Arthur A. Rothe, County Judge, Hondo, Texas. All material for the fencing will be furnished by Medina County.

The successful bidder will be required to enter into a contract with the Commissioners Court of Medina County; however, the Commissioners Court reserves the right to reject any and all bids.

A certified or cashier's check, or an acceptable Bidder's Bond, payable without recourse to the order of Arthur A. Rothe, County Judge, Medina County, Texas, in an amount not less than five (5 per cent) per cent of the total bid must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into contract and execute a performance bond in the amount of One Hundred (100 per cent) Per cent of the contract price.

The successful bidder will be required to comply with Article 5159a, Revised Civil Statutes of Texas, 1925, commonly known as the "Prevailing Wage Law", providing for the payment of the minimum prevailing wage scale for work of a similar character in the locality in which the work is to be performed, and the prevailing wage scale for Medina County may be obtained from the County Judge.

NOTICE IS ALSO GIVEN that it is the intention of the Commissioners Court of Medina County to pay all or a part of the contract price or prices by the issuance and delivery of interest-bearing time warrants out of an issue of MEDINA COUNTY ROAD AND BRIDGE WARRANTS, SERIES OF 1954, dated January 1, 1954, heretofore authorized by the Commissioners Court in the amount of \$100,000.00, said warrants bearing 3-1/2 per cent interest per annum, and having a maximum maturity date not later than January 1, 1966.

The County will make arrangements for the Contractor to dispose of the warrants herein mentioned at not less than par and the Contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

Arthur H. Rothe  
County Judge, Medina County, Texas. (2tc49)

## Will Wilson Campaigning For Attorney General

Supreme Court Justice Will Wilson has resigned his post on the State's highest tribunal to launch a fighting campaign for Attorney General of Texas. His resignation was made effective June 1.

"The most compelling call to duty for me today is to serve the people of Texas as their Attorney General," Wilson said.

With a career as Dallas' racket-busting district attorney, followed by six years on the Supreme Court, Wilson said he left the court "with reluctance."

However he surprised few Capitol observers in responding to the challenge to serve as Texas' number one law enforcement officer.

"Texas' greatest need today is vigorous enforcement of our Texas laws. I believe I can serve Texas best in filling that need," Wilson commented.

Most seasoned observers agree that Judge Wilson would have been re-elected without opposition to the Supreme Court. Both of his colleagues up for re-election are unopposed.

"I cannot remain on the Supreme Court while I campaign for Attorney General," he said.

On the issue of corruption in Texas government, Wilson's statement was quick and clear-cut.

"We're way past that as an issue. The only issue today is who is best qualified to clean it up."

"I believe my record as two-time assistant attorney general, prosecuting district attorney and supreme court associate justice qualify me to do the job."

Wilson was elected to the Court in 1950 by a heavy majority. He is one of the youngest men ever to serve on the high bench. While District Attorney he gained national recognition in stamping out organized crime in Dallas.

Selected by U. S. Attorney General J. Howard McGrath as one of the five district attorneys in the United States to speak before the Department of Justice's Conference on Organized Crime in Washington in 1950, Wilson was commended as one of the outstanding prosecutors of crime in the nation.

As assistant Attorney General of Texas under Gerald Mann and Grover Sellers in 1941-42, Wilson successfully prosecuted cases involving millions of dollars for Texas school children.

Wilson served in World War II in combat throughout the South Pacific in army campaigns ranging from New Guinea to Luzon and was decorated for patrol activity behind enemy lines.

Born forty-four years ago in Dallas, Wilson received a Bachelor of Science degree in geology in 1934 and was graduated from Law School with the top record in his class.

Married and the father of two children, he and Mrs. Wilson live at 2201 Stamford Lane in Austin.

## Brush Arbor Meeting Beginning In Devine

An old-fashioned brush arbor evangelistic meeting will open in Devine, Windy Knoll and Crouch Avenue, June 4, at 8 p.m. The Rev. Claud J. Bonam, radio preacher, world-traveler, vice-president of the World Baptist Fellowship, and pastor of Huisache Avenue Baptist Church, San Antonio, will be preaching every night, June 4-8, 11-15.

The Huisache Harmonizers will be singing in the brush arbor meeting every night. The Harmonizers sing from memory scores of gospel songs.

During the campaign at Devine the Rev. Bonam will show moving pictures in color which he made while living in Old Jerusalem.

## End Of School Activities Fill LaCoste Calendar

LACOSTE — The festivities and closing ceremonies of LaCoste High School began on April 19 with the Junior-Senior banquet and Prom, a formal affair for the upper classmen and their guests.

On April 25 the junior class had a free day and picnic at Landa Park in New Braunfels. This was awarded to the juniors for the best attendance throughout the school year; the expenses for the picnic were paid by the defeated classes.

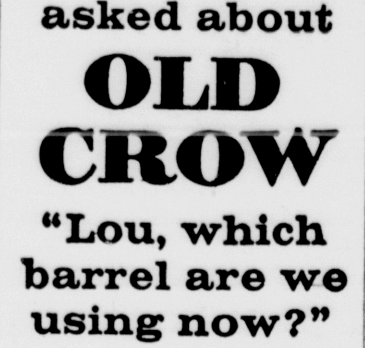

The homemaking classes had a field trip to New Braunfels on May 2. After inspecting textile mills, the group went to the Park for a picnic lunch before returning home.

Graduating exercises began with the baccalaureate service on Sunday evening, May 13. The sermon was by Reverend Leo Benorden of Zion's Lutheran Church, Castroville.

The high school gymnasium was the scene on Monday evening, May 14, of the graduating exercise. Patricia Jungman and Frederick Koehler, juniors, preceded the graduates to the stage.

Wayne Ahr, salutatorian, gave the welcome address; Class Will, "Guarding Our Heritage" was given by Anthony Rihn; Ruth Mechler presented the Class Gift to A. D. Blue, who accepted it for the school. The class sang "Now Is the Hour", after which E. J. Keller, President of the School Board, presented the diplomas to the 19 graduating seniors. The Farewell Address was given by Gilbert Mechler, valedictorian. The graduates sang the school song, "Always Ready."

During the week of May 21-25, the class is on the traditional Senior Trip. This year they are seeing the sights of New Orleans with Mr. and Mrs. A. D. Blue, Mrs. A. W. Ahr, William Fojtik, and Mr. and Mrs. Claude Schott.

## TELEPHONE TALK

by Winston Rozelle, Manager

YOUR 24-HOUR SERVANT

From time to time, friends tell us how their telephone has come in handy in an emergency.

Here, the telephone is a "good friend" in any emergency, big or small. But maybe a lot of us forget about — or take for granted — the many routine yet important things that we do every day by telephone.

Just a lift of the receiver and you're in touch with friends, neighbors, family. Or perhaps the telephone "runs errands" for you to the grocer, drugstore, dry cleaners, or the hardware store.

I've often thought how interesting it would be to keep a record of all the telephone calls you make in just a single week. Bet it would surprise most of us a bit to learn how much we depend on the telephone to make our busy days easier and more enjoyable.

NO TIME LIMIT

Many people seem to think we want them to keep their Long Distance conversations short, meaning three minutes or less.

We asked you to do this during World War II so that emergency calls and calls from servicemen could get through.

But since then we have added many new Long Distance circuits. And now you can call whenever you like, and talk as long as you like.

Station-to-station rates are lower after 6 p. m., and all day Sunday. And remember

Call by number. It's twice as fast.

## Hondo F. F. A. Boys Look To Camp, Training School

The Hondo FFA Chapter issued 24 Certificate of Merit to deserving FFA boys during the month of May.

These certificates are issued to the Texas Association of Future Farmers of America, but the local chapter determines which boys are to receive them.

All certificates issued this year were for Leadership Activities. Four boys who are seniors and placed first in Area Leadership Contest and fifth at State Contest in 1954 were awarded certificates. The team members were Freddie Wright, Jerry Muennink, W. J. Schweers and Charlie Muennink. Their event was demonstrating how to make rope.

The Division Chapter conducting team members were awarded certificates for placing first in Dist. and Area Contest and tenth at State. Arlen Graff, Bob Ward, Jack Martine, Kenneth Nietenhoefer, Thomas Schulte, Billy Pottsavich, Howard Saathoff, Donnie Neumann and Pete Angermiller made up this team.

The Greenhand Division Chapter conducting team members were issued Certificates for placing first in District and sixty in Area Leadership Contest in their knowledge of parliamentary procedure. The team members were Butch Smith, John H. Meyer, John Korbell, Johnny Shepperd, Harold Cornelison, Bobby Moos, Jackie Moos and Charles Steigler.

The Chapter Division Farm Skill Demonstration team was awarded certificates for placing second in District and fourth in Area Leadership Contest. These boys were Gary Schweers, Bernie Zerr, and Gilbert Sowa.

Training School

The eighteenth District FFA Officers Training School will be held in Utopia May 28-29 and 30th. All newly elected FFA Officers from the different 13 chapters in the district may send their officers to this Training School. The program is conducted by the District officers and the Vocational Agriculture Teachers.

District President Clyde Bohmfalk will have charge of the program Monday evening when the new officers are elected for the coming school year. Hondo FFA will have an officer nominee for a district office. The schedule is so made up that each group of officers will be given a chance to study the duties of their office.

The group will sleep in the Utopia City Park and will be served meals in the high school cafeteria.

Hondo FFA boys planning to attend this camp are Clyde Bohmfalk, Johnny Windrow, Willi a m Reus, Alvin Hartman, Tommy Koch, and Curtis Wiemers, John McAnelly, teacher, will accompany the boys.

Area Convention

Area VII Second FFA Convention will be held in San Marcos May 31 and June 1.

Clyde Bohmfalk, District FFA President and area officer nominee, will serve on the state farmer degree checking committee along with three teachers of Vocational Agriculture from the Revaldina FFA District.

John McAnelly will serve as Chairman of the Area Awards Checking Committee which will check all applicants for Farm Mechanic, and Farm Electrical Awards; Dairy Awards; Soil and Water Conservation; and Cotton Awards. Farm Bureau Scholarship in Leadership and several

## COUNTY AGENT NEWS

By C. B. Gaston

The meeting held Monday night at Devine by C. F. Garner, Extension Entomologist, was well attended by a very interested audience. Garner led out the meeting on cotton insects by giving the importance of early control of cotton insects and hold the early crop before the insect population builds up large enough to make later controls too expensive. The main thought in the discussion of vegetable insects was the affect the Miller bill will have on producers who sell their product for human consumption. He discussed the latest publication available L-255 "Guide for Controlling Insects on Vegetables" which is now available at the office of the county agent.

Dr. C. M. Patterson, Extension Veterinarian, reports that the increasing use of urea as a source of protein for cattle, sheep, and goats is causing trouble in herds where the use of this product is not understood.

Urea can be utilized as a nutrient only by ruminants (cattle, sheep and goats). Bacteria in the rumen of these animals convert the nitrogen from urea into amino acids. In the simple stomach of horses, pigs or chickens, urea is broken down into ammonia and carbon dioxide. The free ammonia and the ammonium carbonate formed produce acute poisoning. However, ruminants that have been starved, or are on a poor quality roughage may be poisoned by recommended levels of urea in the ration. This is brought about by a deficiency of digestible carbohydrates in the rumen, allowing the pH to rise with a resulting increase in the production of ammonium carbonate as the urea is split. An effective first aid treatment of urea poisoning is the administration of one pint of vinegar containing a cup of sugar.

When swine are given a treatment to remove round-worms it is important to remove from the pen all the round-worms that are passed. The eggs in a mature female ascarid are so resistant that they will withstand boiling in a 10 per cent formalin solution for ten minutes. If these are left in the pen and are eaten by the pigs, massive re-infection results. Incidentally, piperazine salts (piperazine hydrochloride adipate, etc.) are the safest drug available for the removal of ascarids from pigs, horses, and dogs. Insufficient work has been done to evaluate the drug in cattle and cats.

Nine Medina County 4-H Club members were awarded registered Hampshire hogs last Friday at Castroville. This program is sponsored by the Sears Foundation and has been in operation here for several years. All of the students are attending the public school and St. Louis school in Castroville. Those awarded gifts were Anthony Boehme, Gail Boehme, Ann Skarda, Ronnie Evans, Roger Bippert of LaCoste, Al Willis Bourquin, Franklin Stein, and Ralph Bayer. The boar will be placed with Virgil Boehme. The gilts were furnished by Patrick Ahr, James Echtle, Tommy Echtle, Leonard Zinsmeyer, Patrick Meckler, Gary Hutzler, and Roy John Biediger, all of the LaCoste community. This last group had the hogs the past year and in the program agreement furnished a registered gilt for distribution to the above named group.

Six Medina County 4-H boys will attend the district encampment at the M-O Ranch near Hunt starting May 28. The group to attend are Patrick Ahr of LaCoste, Kenneth Steine of Rt. 4, San Antonio, Carl Richter of Castroville, Richard McFadden of Castroville, George Keith of Natalia, Glenn Weynand of D'Hanis.

Feeding Cattle  
Young heifers and steers three to four months old can be kept temporarily on rations that barely maintain their weight, or even result in some weight loss, and yet recover later on full feed to make economical gains and high quality beef, says the U. S. Department of Agriculture. Work done at the Beltsville Station of the USDA's Agricultural Research Service shows that there need be no loss in the growth potential as a result of low calorie intake for three to six months during the year so long as the animal's limited forage is supplemented by sufficient protein, minerals, and carotene (provitamin A) to keep them healthy. In other words, lack of gain or even some loss of weight by young beef cattle on range in winter or during a drought will not, in itself make them uneconomical beef producers. Such temporary conditions need not impair the animals' later feed use efficiency, and ultimate meat and hide quality or proportion of lean meat to fat and bone in the carcass.

Work done with 10 sets of identical twin calves showed that in every case growth resumed after the interruption at a rate that was normal or better for the size of the animal. Feed per pound of gain was almost exactly the same for the restricted ration group as for the control group. In four out of ten cases, however, the cattle given limited feed took several weeks longer to reach a slaughter weight which in this case was about 1,000 pounds. Many animal husbandmen formerly believed that unless calves gained steadily at least half a pound a day their ability to make profitable gains would be permanently impaired.

## Castroville School News

By Rosalie Stein

Monday morning, May 7, the seniors of St. Louis left Castroville for their senior trip to New Orleans, La. Stopping overnight in Lake Charles, they reached their destination at noon Tuesday.

During their three day visit, they toured the city by bus, viewing historical sites; cruised up the Mississippi on a steamer; enjoyed swimming at Lake Pontchartrain Beach and in the motel swimming pool; participated in the merriment at the amusement park; shopped on downtown Canal Street; and saw a movie.

The Junior-Senior Prom took place at Koenig Park Hall on May 17. From the front entrance there extended a round arch of yellow and white twisted crepe paper to a length of one-fourth of the hall. The floor was covered with a green grass carpet, which rose with the steps at the end of the arch. Mounting the steps, which bore the senior motto, "One step at a time, but always forward," one descended into a lovely garden enclosed by white rail fences, covered with green ferns and plants, on either side of the entrance.

The theme, "Stardust," was carried out. Overhead hung a multitude of stars. A blue sky was formed by wide twisted strips of crepe paper drawn from one side of the hall to the other and pulled up in the center to form billows. Above the stage shown a yellow moon with a blue background set with stars. In front of the stage were two pedestals of yellow and white gladioli and on each support of the hall was placed a branch of vine.

The tables were covered with white paper and on the center of each lay a yellow and a white

gladioli. Refreshments, cake and punch, were served. Upon the cake were situated a boy and a girl graduate and in a corner were placed a cap and a diploma. At the far corner of the table was a basket of gladioli from the center of which arose a white parol.

The baccalaureate sermon was delivered to the graduates on May 20 by Father Hart of Lackland A.F.B. at the 7:30 Mass in St. Louis Church. Following the Mass, the seniors, their parents, and the eighth-grade graduates were served breakfast in the parish hall, given by the Sisters of St. Louis School. The senior girls received a delicate blue and white crystal and sterling silver rosary from Sister Catherine of Sienna, while each boy received a case containing a rosary and medal.

On May 28, the seniors will sponsor a paper drive to raise necessary funds for the '56 year-book.

## Flory Resigns As Brackettville Superintendent

Kenneth Flory, who has been superintendent of the Brackettville independent School District for the past three years, resigned from this position at the regular school board meeting Monday night.

Marion Wills, who has been serving as principal, was made superintendent by the board.

Flory goes to Northeast High School in San Antonio as a teacher.

Also at Northeast High is Tom Bridges who was a coach at Hondo High for many years. He is currently principal at the school.

## At a Price that'll open Your Eyes

A DREAMBOAT—that's what they're calling this stunning Buick SPECIAL. And in all truth, it is a sight for starry eyes.

But, if you think that owning a Buick is just something to dream about, here's some happy news.

Eye-catching, sigh-catching as it is, this beauty is built for stirring action—and priced the same way.

To sum it up quickly:

For only a few dollars more than you'd pay for the well-known smaller cars—for even less than some models of those very same cars—you get all the big-car power and performance, the pace and the grace that are Buick for 1956.

And yet, it's far more than a tempting price tag that has Buick outselling every other

car in America except the two well-known smaller ones.

It's the taste and distinction of Buick styling. It's the walloping thrill of Buick power, surging from the new 322-cubic-inch V8 engine.

It's the level buoyancy of Buick's ride, the finger-tip ease of its handling, the sheer luxury of its interior comfort and roominess.

Here, too, if you want it, is Buick's advanced new Variable Pitch Dynaflo.† With blazing getaway and amazing gas economy, it's the last and thriftiest word in modern transmission.

How about finding out for yourself what a bargain this Buick SPECIAL is. What a joy to command, what a sweetheart to drive. Come in this week—we'll be looking for you, to make your dreams come true.

†New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional on models extra cost on the Special.

## PERSONAL APPEARANCE

By Jerry June Berger

"Twaz just a case of miscalculation" JOY TILLEY JR. explained this week. He was referring to the fact that he was handing out cigars in little plastic packets which announced "It's a boy!" But to make it official, he took the time to tie a pink ribbon around each of them since the "boy" turned out to be a 9 pound, 6 ounce daughter.

After several family conferences, the TILLEYS have decided on the name KEVIN RENAE for the latest addition to the family.

The F. H. HOLLMIGS have had a big laugh about their little penny-pinching grandson, CRAIG HOLLMIG, son of the STAN HOLLMIGS.

When Mother's Day rolled around, his dad gave him 25 cents to buy a card to send to his grandmother. He looked for a long while but was questioned when he came home empty-handed. It seems he decided cards cost too much so he decided to come home, dig out an old Christmas card, scribble through the verse and write his own. Needless to say, his grandmother, MRS. HOLLMIG, is enjoying that card more than any other she has received. And what's more, CRAIG still has the quarter.

Somebody ordered a picture of the Quibi Lutheran Confirmation group celebrating their 25th anniversary a couple of years ago. It has been collecting Anvil Herald dust now for several

months. Anybody know who ordered it?

While the husbands are away, the families of GEORGE GILBERT and RIF HEDGE will play. These two are on a naval reserve call soon so MRS. GILBERT and three children will visit relatives and friends in and around the Comanche area while MRS. HEDGE and four are looking forward to spending the time in Crystal City and Eagle Pass.

M&M Milton M. Ward and children, Sharon, Carol Jean and Kenneth of Frer, and Mr. Philip Ward of Thibodaux, La., are visiting their parents, M&M Frank Ward and their brother, Ralph Ward this week.

Tommy Ney is on a trip to Mexico City and Acapulco this week. He was accompanied by two former Anvil Herald employees, Allen David and Al Lenington.

Mrs. Elsie Burger had some well diggers clean out the well on her place here in the settlement but still a water shortage.

Mrs. Stanley Jagge, Brenda and Michael visited Thursday morning with Mrs. Sterley Jagge.

Mrs. Molly Schmidt of SA spent several days with Mrs. Millie Jagge.

Mrs. Ida Jungman spent the weekend in SA with the Wm. J. Engelbrecht family on last Thursday.

## Farmers May Get Gas Tax Refund

Farmers will soon be able to obtain a refund of the Federal excise tax on gasoline which is used on a farm for farming purposes under a new law. Present Federal tax rate is 2 cents a gallon.

R. L. Phinney, Director of Internal Revenue, Austin, Texas, announced today that under the new law first refund payments will be made after June 30 on gasoline purchased and used during the first six months of 1956. Thereafter, refunds will be made for a one-year period from July 1 to June 30.

To get his refund, a farmer will have to file his claim after June 30 and before October 1. Claims are to be made on Form 2240 and are to be filed with the United States District Director of Internal Revenue for the farmer's district. Forms will be available after June 1 at Internal Revenue offices, county agricultural agents, and at some banks and post offices.

"Farmers who expect to file claims should keep sufficient records to enable the Internal Revenue Service to verify the accuracy of the amount claimed," R. L. Phinney cautioned.

## SPEAKING OF SPORTS

By Dr. John H. Jennings

### Youth Baseball Activity

The Summer Baseball Program got its gears rolling last Monday and Tuesday as try-outs were held. Two leagues will be run this year—a Junior League which includes boys 9-12 and a new Senior League with boys 13-15. Actual league play will begin June 11. Try-outs were held in an effort to equalize player talent so all teams will be as equal as possible. Lots of boys were present for the try-outs. . . there is certainly no enthusiasm lacking on the part of the boys. This undoubtedly is one of the best projects ever undertaken in the community and the work is all done with volunteer help (and MORE of this volunteer help is needed. . . make yourself known if YOU can be counted on to help the boys.)

### Golf Tournament Comments

The Earl V. Riley Invitation Golf Tournament was the center of local golf interest the past weekend. A lot of fun was had by all and each golfer had his reasons or story as to why he did not do better—missing short putts, strong wind, slice, hook shots—and each one a legitimate beef, but that's what makes golf such a fascinating and challenging game. It seems so simple to properly hit a little ball laying on the ground, but books have been written on the things you can do wrong from the time you step up to the ball until the time you finally hit the thing.

Col. Riley flew in from Philadelphia to be here for the inaugural tournament and the Colonel was pleasantly surprised with the continued improvement of the course since he left here seven or eight months ago. He said he never dreamed enough golf interest would be shown here to warrant the hiring of a golf pro. He thought Joe Mitchell had done a fine job and knew the course would prosper and grow under his guidance and nursing care. Incidentally, Joe Mitchell is just back from the Dallas Centennial Tournament and though he failed to come home with a pot of gold, he did come in with a couple of good rounds. . . and no doubt enjoyed the association with golf's greatest stars. . . some of that type of company just has to rub off on you.

### Legion Team Action

The Hal Jones American Legion team had their initial work out last Tuesday at the Hondo High School Park and the prospects here are very bright indeed. This should be a team fans will get a big kick out of following. J. G. Barry is the field manager and will be assisted by Bob Nations, L. E. Pope is business manager.

Boys from Hondo, D'Hanis, Castroville, Rio Medina, LaCoste and Devine will make up the Hal Jones Post team and from this group should come a rather fine ball club.

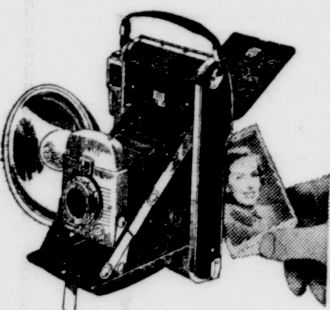

The first game will be held at

### Lions Club Sends Three To Meeting

The Hondo Lions Club has sent three members to the district convention in Brownsville this week. They are Edgar Stiegler, incoming president; James Tschirhart, incoming secretary-treasurer; and John Kalinowski.

The three men left yesterday and will return Sunday.

## Air Patrol Participates In Exercise

Hondo's Civil Air Patrol Squadron, commanded by Capt. Jessie D. Enloe, will participate in a training exercise Sunday in San Antonio.

Aircraft of the Texas Civil Air Patrol, Texas Air National Guard and possibly of several Air Force units will fly over the San Antonio post during the exercise, which is slated to start at 2 p.m. and end at 6 p.m.

A filter center will be set up during this time as civilian volunteers process flight information as it is reported.

## Devine Votes Approval For Improvements

Devine voters approved three propositions totaling \$100,000 by a margin of 84-18 Saturday.

The three proposals were \$70,000 for construction of extensions and improvements to the water works system, \$20,000 for the construction, extensions and improvements to the sewer system, and \$10,000 for street improvements.

John F. Griffin served as presiding judge and clerks were Sadie Gardner and Mrs. Neil A. Briscoe.

### TOO LATE TO CLASSIFY

I wish to express my sincere thanks to all who sent cards and gifts and visited me during the time I had the accident and broke my arm. These kind deeds mean more to me than words can express.

Mrs. F. R. Grube

## Neel Dwyer Wins 1st In Riley Invitational

Lt. Neel Dwyer won the first annual Earl V. Riley Invitation Golf Tournament with a 303 total for 72 holes. This gave a 75.7 average per 18 holes.

The young lieutenant is known for his booming long ball and he led his nearest rival, W. L. Case, by eight strokes. Bill Hardy came in third in the championship flight with a 314.

Immediately after tabulation of scores, Capt. Robert Sizemore recognized the forethought and works of Lt. Col. Earl V. Riley in seeing that the course was founded. Col. Riley flew in from Philadelphia to witness and to participate in the tournament named in his honor. A large picture of Col. Riley and a plaque with the name of the annual winner of the tournament will permanently adorn the Club House.

The tournament will be an annual affair and after a most successful beginning no doubt will gain momentum each year.

Four flights besides the championship flight, made up the tournament and winners are listed below. First place in each flight was good for a trophy and \$2 merchandise prize; second place, \$6; and third \$4 in golf merchandise.

Championship Flight, Lt. Neel Dwyer, first with 303; W. L. Case, second with 311; and Bill Hardy, third with 314.

First Flight, Fosshage, first with 320; Charles Pimm, second with 327; and Mike Ball, third with 332.

Second Flight, C. D. Sadler, first with 349; Maj. Woodrum, second with 351; and Brandon, third with 353.

Third Flight, Tom Mosley, first with 349; John Jennings, second with 365; and Lt. Charles Parker, third with 365. Jennings and Parker tied after 72 holes and held a one-hole playoff which Jennings won.
